Liggins, and second installment to Under the Purple Moon. This highly anticipated sequel continues to excavate into the mysterious, private side of Tess Simon. Her well-adjusted life as a renowned writer, wife, and mother, continues to be compromised, as her deepest, darkest secret terrorizes her once again. She is hunted; she is haunted. But this time, its her sixteen month-old son who bears witness to his mothers nightmare. The trauma is too horrific for this defenseless, innocent child to comprehend. Therefore he, too, becomes victimized, leaving Nolan, Tess devoted husband, filled with rage and ultimately, vengeance! This romanticized, engaging page-turner will thrill, captivate, and not disappoint those who have come to expect the provocative plots, well thought out twists and turns, charming characters, and, of course, the unexpected endings that this author delivers book after book. Theresa E. Liggins has been known to be her own eye-witness to most of her creative works. So, could this story be ripped from one of the pages of her life Youll have to read between the lines and draw on your own conclusions because this author isnt talking; only writing.
